PAGES

SUPPLEMENT

ORIGIN

25X1X6

1. It is reported that Prime Minister Nuqrashi Pasha seriously doubts if France will support Egypt's case before the U.N. This doubt is said to be based on a communication which Nuqrashi has recently received from the Egyptian Ambassador in Paris, Ahmad Tharwat (Sarcit), who claimed to have reliable information that France has already reached this decision.
2. Tharwat's communication stated that he believed that British pressure forced the French decision.
